

Nursing Aide (CNA)

2026 - 2027

Cost Sheet

This program trains students to provide direct care to patient under direction of nursing staff. Certified Nursing Assistants perform duties that include feeding, bathing, dressing, grooming, and/or moving patients. Employment opportunities for nursing care attendants, nursing aides, or nursing attendants include assisted living, home health, long-term health care facilities, hospitals, and hospice. The program will consist of 80 hours of classroom training and 40 hours of clinical training for a total of 120 clock hours. Upon successful completion of the program, the student will be eligible to apply for the State exam to obtain licensure.
