Criminal Justice
2026 - 2027
Cost Sheet

The Criminal Justice curriculum contains a broad range of courses design to equip jailers and guards with the knowledge and understanding of inmate processing, maintaining order in the jail and invoking disciplinary measures when necessary. In addition, a jailer may also perform cell searches for drugs and other contraband, inspect the facility for cleanliness and stand guard during exercise periods. This training program, which may be completed over two trimesters, provides jailers and guards with knowledge of emergency procedures, mental health and first aid, defensive tactics and use of force, ethics and legal issues, investigations and personal development, among other items.
