Cost Sheet

Our mission is to provide high quality, competency-based technical training to all individuals by teaching the skills necessary to become competitive in their efforts to secure lasting and rewarding employment in the current job market. We are also equally dedicated to providing customized special industry training for area businesses and industries as they strive to train, re-train, or upgrade the skills of their employees in order to remain competitive in a global workplace.

All book and supply costs are estimates and subject to change without notice.
